Entwined Minds Book Club

Monday, December 12 at 1pm

All interested readers are invited to Entwined Minds Book Club. The book for discussion this month is *The World's Strongest Librarian* by Josh Hanagarne. A funny and uplifting story of how a Mormon kid with Tourette's found salvation in books and weight lifting. Josh Hanagarne couldn't be invisible if he tried. Although he wouldn't officially be diagnosed with Tourette Syndrome until his freshman year of high school, Josh was six years old when he first began exhibiting symptoms. When he was twenty and had reached his towering height of 6'7", his tics escalated to nightmarish levels. Determined to conquer his affliction, Josh tried countless remedies, with dismal results. At last, an eccentric, autistic strongman taught Josh how to "throttle" his tics into submission using increasingly elaborate feats of strength.
